Author's Note:

_Yes, I know, she is supposed to have had twins. Just bear with me. It's more like the symbolic kind of child. =) _

My Child

An oasis in the burning sand,

Is this tiny life I hold in hand â€“

A ray of comfort in my life so wild

Thank you, my precious child

A golden gem in stones of sin,

Found in you, deep within

Salvation is discovered, inside of me

So sleep well, darling baby

Delicate fingers intertwine with mine,

You brought me to a land divine

Where gone are my deceiving lies,

And love melted my cold disguise

Why, in the end, I had to go -

I pray that you'll never truly know

My past haunt me, secrets are piled

But all for you, my innocent child

End
file.
